

Do you want to get more involved in Merseyside Pension Fund (MPF) as a Deferred Members' representative?

On 1 April 2015, Wirral Council created the Local Pension Board to ensure that the Local Government Pension Scheme (LGPS) is well managed and representative at a local level.

Key features of the Local Pension Board ("the Board") are:

- to play an oversight role on the decision-making function of Pension Committee, with the key role in ensuring that MPF is complying with the LGPS and other relevant regulations
- that it will be representative and will contain four member representatives, four employer representatives and one non-voting independent Chair
- for meetings to take place at least four times per year in Liverpool and members of the Board should be willing to undertake induction and training sessions as required
- for member and employer representatives to receive a modest remuneration along with any travel and subsistence expenses.

You can find out more information about the Local Pension Board, including the Terms of Reference, the Code of Practice and the Member's Code of Conduct at: mpfund.uk/pensionboard

We are looking for a person who can demonstrate the criteria, characteristics and skills outlined in the Role/Person Specification at: mpfund.uk/lpbspec

This role will involve reviewing the financial aspects of pension fund management, including investment elements, and it is desirable to appoint a person who can bring an appropriate level of knowledge with them.
